How to Use Your Printable Dress-Up Game

Print extras

Feel free to print the doll and outfits multiple times. That way if glue or tape is used, the outfits won't get torn when changing them. Extra copies = endless new wardrobes!

. **Make a dress-up board**

Stick one doll onto a piece of cardboard. Kids can then place outfits on and off without damaging the paper doll.

Create a story book

Glue different outfits onto pages of a notebook or scrapbook. Kids can build scenes, name the characters, and tell stories with each page. It turns into their very own fashion storybook!

Pro Tip for Parents: Use a glue stick, tape, or paper clips instead of permanent glue. You can also laminate or cover pieces with clear tape so they last longer and are easy to swap.

Have fun printing, cutting, and creating
